# INVOICE BUILDING SYSTEM

## INVOICE BUILDER

The screenshot shows the 'Invoice Builder' interface. On the left is a sidebar with various icons and a user profile picture. The main area is titled 'Fatura şablon tasarlama ekranı' (Invoice template design screen). It displays a template for 'Fatura 1' with A4 dimensions, 14pt font size, and Times New Roman font. The template includes sections for customer information (Müşteri Bilgileri), invoice details (Fatura No, Date, Total), and service items (Ürün/Hizmet) with a table showing quantities, unit prices, and total prices. A sidebar on the right lists various fields like 'Müşteri Bilgileri', 'Fatura No', and 'Hizmet/Ürün Bilgileri' with dropdown menus and checkboxes.

## FORMAT CONFIGURATION I

This screenshot shows the 'Format Configuration I' section. It displays a dropdown menu for 'Şablon Boyutu' (Template Size) with options: A4 (selected), A3, A2, and Custom Size. The background is dark, and the text and buttons are white or light-colored.

## FORMAT CONFIGURATION II

This screenshot shows the 'Format Configuration II' section. It displays a dropdown menu for 'Şablon Boyutu' (Template Size) with options: özel boyut (custom size) (selected), 37,2 cm x 29 cm, 10px, 12pt, and 85px. The background is dark, and the text and buttons are white or light-colored.

## COMPONENTS

This screenshot shows the 'Components' section. It displays two dropdown menus: one with a selected item '20x20 circle fill #5cb85c' and another with a selected item 'Müşteri Telefon Numarası'. Below these are two radio buttons: one selected with '20x20 circle fill #ffffff' and another with 'Fatura No'. At the bottom is a blue button with 'Müşteri Adresi İli' text.
